(i) In case any of the Bonds shall become mutilated, or be destroyed, stolen or lost, the Municipality, upon the request of the Holder of such Bond shall execute and deliver a new Bond of like tenor and of the same principal amount then outstanding, maturity date and interest rate as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation thereof, or in lieu of and substitution for the Bond destroyed, stolen or lost, on the following conditions: such person shall (i) file evidence with and satisfactory to the Municipality that the Bond has been destroyed, stolen or lost and proof of ownership thereof, (ii) furnish the Municipality with indemnity satisfactory to them, (iii) comply with such other reasonable requests as the Municipality may prescribe, and (iv) pay such expenses as the Municipality may incur in connection therewith. Upon the happening and continuance of any Event of Default, any of the Holder(s) may, by a notice in writing to the Municipality, declare the principal of the Bond then outstanding to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the Bond or in this Agreement to the contrary notwithstanding.

The proceeds of the sale of the Bond to the Purchaser shall be set aside by the Municipality in a special account acceptable to the Purchaser and designated “Municipality of San Juan, Municipal Bonds of 2004, Redemption Fund” (the “Redemption Fund”) simultaneously with the delivery of the Bond. Of the proceeds of the Bond, (i) \$143,000 shall be segregated and set aside in a “Cost of Issuance Account” to be used for payment of the costs of issuance of the Bond pursuant to the terms of the Bond Resolution, and (ii) \$39,890,000 shall be segregated and set aside the Redemption Fund which shall be used by the Municipality for the repayment of the outstanding bonds and notes of the Municipality that are being refinanced with the proceeds of the Bond pursuant to the terms of the Bond Resolution.

Section 15. Alterations of Documents. Alterations and modifications of this Agreement or of any supplements thereto, may be made only with the written consent of the Municipality and the Holders.

Section 16. Net Payments. All sums payable by the Municipality hereunder and under the Bond, whether for principal, premium, if any, interest, fees, expenses or otherwise, shall be paid in full, without any deduction or withholding whatsoever. In the event that the Municipality or any other person is compelled by law to make any such deduction or withholding, then the Municipality shall pay to the Purchaser such additional amount as will result in the receipt by the Purchaser of a net sum equal to the sum it would have received had no such deduction or withholding been required to be made.

Section 17. Indemnification. The Municipality shall indemnify and hold harmless the Holders from and against any and all claims, damages, losses, liabilities, costs or expenses whatsoever (including the costs and expenses of defending against any claim of liability) which any such party may incur (or which may be claimed against it) by reason of or in connection with the execution and delivery or assignment of, or payment under, or consummation of the transactions contemplated by this Agreement or the Bond or the transactions contemplated hereby or thereby, unless due to the gross negligence or willful misconduct of the Holders, as applicable.

Section 18. Funding Loss Compensation. . Section 19. Lawful Rate of Interest. Notwithstanding any provision herein to the contrary, no interest payments shall be made to the Holders under this Agreement or under any of the Bonds the effect of which would cause the effective rate of interest on the Bond to exceed any applicable maximum rate of interest permitted by law.

In the absence of the foregoing paragraph, if the terms of this Agreement would at any time require payment of interest to the Purchaser (including amounts deemed by applicable law to be interest (“Interest”)) at a rate in excess of the maximum rate then permitted by the law applicable to the Bond and amounts payable with respect thereto, the Interest payments to the

Purchaser shall be reduced to the extent necessary so that the Purchaser shall not receive Interest at a rate in excess of such maximum rate.

Section 20. Severability. In case any one or more of the provisions of this Agreement or of the Bond shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Agreement or of the Bond, but this Agreement and the Bond shall be construed and enforced as if such illegal or invalid provision had not been contained therein. In case any covenant, stipulation, obligation or agreement contained in the Bond or in this Agreement shall for any reason be held to be in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Municipality to the full extent permitted by law.

Section 21. Miscellaneous. Upon payment or redemption, either at or before maturity, the Bond shall be cancelled and shall be delivered to the Municipality when such payment or redemption is made, at which time the Municipality shall destroy the Bond.

(c) In the event of the dissolution of the Municipality, all of the covenants, stipulations, obligations and agreements contained in this Agreement by or on behalf of or for the benefit of the Municipality shall bind or inure to the benefit of the successor or successors of the Municipality from time to time and any officer, board, commission, authority, agency or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.
